**Shreeja Prakashan Pvt. Ltd.** stands as an unwavering beacon of educational excellence, passionately dedicated to delivering world-class learning resources that inspire and empower students across all academic disciplines. In perfect harmony with evolving educational paradigms, our mission is to champion the global academic community through meticulously crafted, innovative, and pedagogically sophisticated publications that redefine learning experiences.

We are relentlessly devoted to cultivating educational excellence by creating groundbreaking, research-backed resources that bridge theory with practice, igniting intellectual curiosity and academic achievement. Our commitment extends beyond mere content delivery- we architect educational experiences that transform knowledge into wisdom, empowering learners to become confident, critical thinkers and future leaders.

Through our visionary approach to educational publishing, we don't just create books; we forge pathways to success, ensuring every student has access to the tools they need to excel academically and thrive in an ever-evolving world. Together, we are building the foundation for tomorrow's innovators and change makers.

### **NCF - 2023: A New Vision for Education**

The introduction of the National Curriculum Framework (NCF) 2023 represents a monumental paradigm shift that will reshape India's educational destiny. This visionary masterpiece is meticulously engineered to empower learners with cutting-edge 21st-century competencies through a transformative, holistic, and seamlessly integrated learning ecosystem that transcends conventional educational boundaries.

#### **Salient Features of NCF 2023:**

- Emphasis on Learning Outcomes – Prioritizing conceptual understanding and application of knowledge.
- Skill Development Focus – Encouraging innovation, analytical thinking, effective communication, and creativity.
- Artistic and Creative Engagement – Promoting expression through art and craftsmanship.
- Curriculum-Life Integration – Bridging academic content with real-world scenarios and practical experiences.
- Environmental and Sustainable Education – Embedding environmental consciousness and sustainable practices in learning.
- Technological Advancement in Education – Leveraging digital tools to facilitate future-ready learners and enhance teaching outcomes.

**Wordwise English Grammar** is a series for classes 1-8. This series is meticulously developed to support students in acquiring strong grammar foundations, ensuring fluency in both written and spoken English. The series combines modern instructional practices with traditional methodology in alignment with the latest NCF curriculum.

## Highlights of the Series:

- ❖ Reflects the principles of the latest academic framework.
- ❖ Each concept is explained with defined rules and numerous examples for clarity.
- ❖ Well-crafted illustrations and extensive practice provided for every topic.
- ❖ Systematic revision at each grade level reinforces key concepts.
- ❖ A dedicated composition section to blend both functional grammar and creative writing development.
- ❖ Ample, well-graded exercises ensure support for all types of learners.
- ❖ Includes test papers to assess progress and aid in preparation.

An effective tool for developing precision, clarity and confidence in using English grammar.
